

CURRICULUM VITAE

NAME **MARY E. TINETTI**

DATE OF BIRTH _____

PLACE OF BIRTH _____

EDUCATION

1969 - 1973 University of Michigan, Ann Arbor, Michigan, BA (with honors)
1974 - 1978 University of Michigan, Ann Arbor, Michigan, MD

POSTDOCTORAL TRAINING

1978 - 1981 Intern and Resident, Internal Medicine, University of Minnesota Hospitals, Minneapolis, MN
1981 - 1984 Fellow, Kaiser General Medicine and Geriatrics Fellowship, University of Rochester and
 Monroe Hospital, Rochester, NY

HONORS

1985 - 1990 National Institute on Aging Academic Award
1988 American College of Health Care Administrators Research Award
1990 - 1993 Kaiser Faculty Scholar Award
1992 American Geriatrics Society Humana Award for Outstanding Clinical Investigator
1992 - Present Claude D. Pepper Older Americans Independence Center
1993 American Federation for Clinical Research Foundation - Henry Christian Memorial Award -
 Aging Research
1995 American Federation for Clinical Research. Year in Review. Clinical Epidemiology and
 Health Services Research
1996 American Society for Clinical Investigation (ASCI)
1996 Willie Birmingham Medal, Irish Gerontological Society
1996 Interurban Clinical Club
1997 CCCI Research Award
1999 - 2004 Geriatric Leadership Academic Award (NIA)

2000 Joseph T. Freeman Award, Gerontological Society of America
2002 Irving Wright Award, American Federation for Aging Research
2002 Greppi Prize, Italian Geriatric and Gerontological Society
2003 Association of American Physicians

LICENSURE AND CERTIFICATION

1984 - Present Connecticut Medical License and Registration
1981 - Present Diplomate, American Board of Internal Medicine
1988 - Present Certification, Geriatrics

ACADEMIC APPOINTMENTS

1984 - 1989 Assistant Professor of Medicine, Yale University School of Medicine
1989 - 1996 Associate Professor of Medicine, Yale University School of Medicine

1992 - 1995	Co-Director, Program on Aging, Yale University School of Medicine
1992 - Present	Director, Claude D. Pepper Older Americans Independence Center
1994 - 2001	Chief, Geriatrics Program, Department of Internal Medicine, Yale University School of Medicine
1995 - Present	Director, Program on Aging, Yale University School of Medicine
1995 - 1996	Associate Professor, Epidemiology and Public Health, Yale University School of Medicine
1996 - Present	Professor of Medicine and Epidemiology and Public Health, Yale University
1998 - Present	Director, Yale/Hartford Geriatric Research Fellowship Program
2000 - Present	Appointment to Graduate School Faculty, Yale University

PROFESSIONAL SOCIETIES

1980 - Present	American Geriatrics Society
1984 - Present	American Federation for Clinical Research
1989 - Present	Society of General Internal Medicine
1989 - Present	Gerontological Society of America
1996 - Present	American Society for Clinical Investigation

VISITING PROFESSORSHIPS AND NAMED LECTURES

Visiting Professor. University of Michigan, Department of Medicine and Institute of Gerontology. Ann Arbor, Michigan July, 1990.

Visiting Professor. Physician Scientist Program Division of Gerontology. Harvard Medical School. January 1992.

Visiting Professor. Mason F. Lord Memorial Lecture. Johns Hopkins School of Medicine. February 1992.

Visiting Scholar, Minnesota Area Geriatric Education Consortium (MAGEC). University of Minnesota, Minneapolis, Minnesota May 1992.

The Huffington Center Visiting Professor. Baylor College of Medicine. Houston, Texas, March 1994.

The Dean Faulkner Visiting Professor, Boston University School of Medicine, Boston, May 1994.

Visiting Professor. Distinguished Guest Series. Duke University Center for the Study of Aging and Human Development. Duke University. Durham, North Carolina, November, 1994.

Trevor Howell Lecture, British Geriatrics Society. London, October, 1995.

Stoddard Lecture. Medical Center of Central Massachusetts. Worcester, Mass. June, 1996.

Willie Bermingham Lecture. Irish Gerontological Society. Dublin, October, 1996.

Visiting Professor. University of Alabama. Center on Aging, April, 1997.

Visiting Professor. Bowman Gray School of Medicine. J. Paul Sticht Center on Aging. April, 1997.

Visiting Professor. Cornell University Medical Center. New York, September, 1998.

Phyllis Bodell Lecture. Yale School of Medicine. New Haven, October, 1998.

Visiting Professor. Duke University. Department of Internal Medicine, February, 1999.

Visiting Professor. University of Toronto. Department of Internal Medicine, December, 1999.

Visiting Professor. University of Texas Medical Branch. Galveston, February, 2000.

Novartis Visiting Professor, Australian Geriatric Society, Adelaide and Sydney, May 2001.

Keynote Address: International Gerontologic Society, Vancouver, BC July, 2001.

Dudley Allen Sargent Distinguished Lecture, Boston University, Boston, October 2001.

Benjamin Cohen Visiting Professor, Institute of Gerontology, University of Michigan, March, 2002.

Visiting Professor, University of California, San Francisco, March 2003.

Visiting Professor, University of Pennsylvania, Institute on Aging. Philadelphia, April 2003.

David H. Solomon Award Lecture, UCLA, Los Angeles, September 2003

JOURNAL REVIEW

New England Journal of Medicine
Journal of the American Medical Association
Journal of Clinical Epidemiology
Annals of Internal Medicine

Journal of Gerontology
Journal of General Internal Medicine
The Gerontologist
Journal of Aging and Health

EDITOR

Principles of Geriatrics and Gerontology, 5th edition

EDITORIAL BOARD

Journal of The American Geriatrics Society
Journal of Gerontology (Medical Sciences)
The Merck Manual for Geriatrics, third edition
American Geriatrics Society Review Syllabus - special advisor, 4th and 5th edition
Annals of Internal Medicine 1998 - 2001
American Journal of Medicine

STUDY SECTION

1988 - 1992	National Institute on Aging, Biological and Clinical Aging Review Committee B
1991 - 1992	Chairperson, National Institute on Aging Biological and Clinical Aging Review Committee B
1996 - 2001	Allied Signal Award for Research on Aging
1997 - 2000	AARP/Andrus Foundation

AD HOC STUDY SECTION REVIEWS

National Institutes on Aging - extramural
Robert Wood Johnson Foundation
NIA Intramural Program Review 2000

Hartford Foundation
Retirement Research Foundation
Alzheimer's Association

CLINICAL AND TEACHING RESPONSIBILITIES

1981 - 1984	Attending Physician, Monroe Community Hospital, Skilled Nursing Facility and Health Related Facility
1982 - 1983	Home Health Care Service, Rochester, New York
1983 - 1984	Attending Physician, Strong Memorial Hospital, Rochester, New York
1983 - 1984	Coordinator of Geriatric Education, Monroe Community Hospital, Rochester, New York
1984 - Present	Assistant Director, Continuing Care Unit, Yale-New Haven Hospital
1984 - Present	Attending Physician, Yale-New Haven Hospital
1984 - Present	Attending Physician, Soundview Specialized Care Center
1984 - Present	Attending Physician, Geriatric Assessment Center, Yale-New Haven Hospital
1985 - Present	Advisor, Master of Public Health Thesis Projects
1985 - Present	Advisor, Medical Student Thesis Projects
1989 - 1992	Advisor, Medical Resident Journal Club
1996 - Present	Reader, Doctoral dissertations, Epidemiology and Public Health, Yale School of Medicine
1998 - 2000	Attending Physician, Elderlife Program, Yale-New Haven Hospital

ADVISORY BOARDS - NATIONAL

1992 - 1996	Pfizer/American Geriatrics Society Postdoctoral Fellowship Program
1993 - 2000	American Federation for Aging Research (AFAR) National Scientific Advisory Council
1993 - 1995	Allied Signal Inc. Achievement Awards in Aging Selection Panel
1994 - 2001	National Osteoporosis Foundation Scientific Advisory Board
1994 - Present	Paul Beeson Physician Faculty Scholars in Aging Research Program Committee
1995 - 2000	Allied Signal Inc., Award for Research on Aging Selection Panel
1995 - 1996	Chair, Pfizer/AGS Postdoctoral Fellowship Program
1995 - 2000	External Advisory Board, Washington University Claude D. Pepper Older Americans Independence Center
1997 - 1998	Special Advisor, American Geriatrics Society Review Syllabus
1997 - 1998	Oxford Health Foundation, Medical Advisory Board
1997 - Present	Board of Directors, American Geriatrics Society
1998 - 2001	Hartford Foundation Centers of Excellence Fellowship Award Review Committee - Chair
1998 - 2002	External Advisory Board, University of Kansas Pepper Center
2000 - 2003	Brookdale Foundation National Fellowship Program Advisory Board
2000 - Present	Scientific Advisory Board, American Federation for Aging Research web site
2001 - Present	RWJ Generalist Faculty Scholar National Advisory Board
2002 - Present	Chair, Paul Beeson Physician Faculty Scholars Advisory Committee
2003-Present	Portal of Geriatrics Online Education Advisory Board

COMMITTEES - NATIONAL

1990 - 1991	Chairperson, Ad Hoc Committee, Society of General Internal Medicine, Development of Guidelines for Promotion of Clinical Investigators
1992 - 2000	NIH Task Force on Aging Research
1994	Chairperson, Small Group Session Selection Subcommittee, Society for General Internal Medicine
1995 - 1998	Program Committee, American Geriatrics Society
1995	Chairperson, Abstract Selection Committee, Society for General Internal Medicine - vulnerable and geriatric populations
1995	American College of Physician Task Force: Development of Guidelines for Management of Falls
1997 - 2001	Clinical Practice Committee, American Geriatrics Society
2000	Annals of Internal Medicine - Editor Selection Committee

COMMITTEES - HOSPITAL AND UNIVERSITY

1985 - 1987	Professional Advisory Committee, Masonic Community Services Home Health Care Program
1989 - Present	Intern Selection Committee, Department of Medicine, Yale University School of Medicine
1990 - 1992	Medical Records Committee, Yale-New Haven Hospital
1993 - 1998	Advisory Committee, General Clinical Research Center, Yale University
1993 - 1997	Status of Women in Medicine; Yale University School of Medicine
1994 - Present	Appointments and Promotions Committee, Department of Internal Medicine, Yale University School of Medicine
1995 - 1997	Williams Chair Selection Committee
1995 - 1996	Task Force on Clinical Investigation

1995 - 1996	Department of Medicine, Fellowship Committee
1997 - 1999	Task Force on Biostatistics
1997 - 1999	Women's Health Center of Excellence, Scientific Advisory Committee
1997 - 1999	Medical School Council, Yale University School of Medicine
1997 - 2000	Tenure Allotment Committee, Yale University School of Medicine
1998 - 2000	Senior Services Product Line Committee. Yale-New Haven Health Systems
1998 - 2000	Progress Committee Year 2000. Yale University School of Medicine
2001 - Present	Appointments and Promotion - EPH (University)
2001 - 2002	Planning Committee for Department of Ophthalmology and Visual Sciences
2001 - Present	Department of Medicine Committee on Cohesion - Chair

GRANT SUPPORT

Principal Investigator

NIH (K08 AG00292) Academic Award 1985-1990.

Robert Wood Johnson Foundation: Initiative on Functional Status. 1985-1988.

NIH (R01 AG07449): Injury and Functional Decline in Elderly Fallers. 1989-1998.

Henry J. Kaiser Family Foundation Faculty Scholar Award Henry J. Kaiser Family Foundation. 1990-1993.

NIH (U01 AG09087): Community-Based Fall Risk Factor Intervention. 1990-1995.

NIH (P60 AG10469): Trial of a Home-Based, Multicomponent Rehabilitation Intervention Post Hip Fracture. 1992-1997.

Humana Foundation: Mobility Project Fund. Awarded 1992.

NIH Reducing Frailty and Injuries in Older Persons Principal Investigator of Yale site. 1993-1994.

Merck and Company. Grant to Develop Computerized, Automated Assessment and Intervention Protocol for Home-Based Physical Therapy Following Hip Fracture: 1995.

Merck and Company. Contract to Test Reliability and Validity of Performance-Based Measures. 1995-1996.

Oxford Health Plan. Demonstration Project Of A Fall Prevention Program Within A Managed Medicare Organization. 1996 – present.

Gladys Brooks Foundation. Development of a geriatric assessment model. 1997 – present.

Bayer Corporation. Development of a computerized system for assessment and intervention for patients with dementia. 1998-1999.

AARP/Andrus Foundation. Effectiveness of a Restorative Model of Home Care Post Hospitalization. 1999-2001.

NIH (K07AG00935). Geriatric Leadership Academic Award. 1999-2004.

NIH (R01AG17523). Shared Impairments For Geriatric Syndromes And Disability. 2000-2003.

Donaghue Foundation. Connecticut Collaboration for Fall Prevention. 2000-2005.

Center Grant

NIH (P60AG10469): Claude D. Pepper Older Americans Independence Center. (Director) 1992-2002.

NIH(P30AG021342): Claude D. Pepper Older Americans Independence Center (Director) 2002-2007.

John A. Hartford Foundation: Center of Excellence (Director). 1998-2005.

Co-investigator

NIH (R01 AG12251) Co-investigator: Intervention Trial to Prevent Delirium in the Elderly. Inouye, M.D., P.I. 1995-2000.

Anonymous Donor. _____, P.I. Gaylord-Yale Home Care Project. 1996-1999.

Gaylord Rehabilitation Institute. _____, P.I. Development of a Computerized Assessment and Intervention Protocol of Physical and Functional Therapy. 1996-1998.

Anonymous Donor. _____, Connecticut Collaborative Fall Prevention Project. 2000-2001.

Training Grant

NIH (T32 AG00153) Training Grant. Stan Kasl, Ph.D., Principal Investigator. Supervise postdoctoral fellows.

NIH (T32 AG19134). Research Training in Geriatric Clinical Epidemiology Thomas Gill, M.D., Principal Investigator. 2001-2006.

SELECTED INVITED PRESENTATIONS, 1987-PRESENT

Workshop on Unintentional Injuries, Centers for Disease Control, Atlanta, Georgia, February, 1987.

"Predictors of Falls in Community Elderly", Bowman Gray School of Medicine, Winston - Salem, N.C, September 1987.

"Performance-Oriented Assessment of Mobility in Clinical Practice", Temple University School of Medicine, March 1988.

"Risk Factors for Falls and Injuries", Robert Wood Johnson Foundation, Annual Meeting on Functional Status, San Antonio, Texas, March 1988.

"Prevention of Falls and Injuries in the Elderly", Connecticut Medical Society, Meriden, CT, April 1988.

"Falls in the Elderly", and "Research Design", Boston University and National Institute on Aging National Summer Institute on Geriatric Medicine, Boston, June 1988.

"Prevention of Fall-Related Injuries: Role of the Primary Physician", Colby College and Dartmouth-Maine Family Practice Department, Waterville, Maine, July 1988.

"Multiple Risk Factor Approach to Fall Prevention", National Institute on Aging Conference on Interventions for Physical Frailty, Bethesda, Maryland, September 1988.

"Designing a Research Project - Risk Factors for Falls as a Model", University of Connecticut School of Medicine, Farmington, CT, November 1988.

"Assessment of Mobility" at symposium Functional Assessment, Annual Meeting, Gerontological Society of America, San Francisco, Nov 1988.

"Risk Factors for Falls Among Community Elderly:", Einstein University School of Medicine, Department of Neurology, Bronx, NY, April 1989.

"Risk Factors for Falls and Injury", Annual Meeting, Society for General Internal Medicine, Washington DC, April 1989.

Invited Participant, Boston University and National Institute on Aging National Summer Institute for Geriatric Medicine, Boston, June 1989.

"Prevalence, Prediction, and Prevention of Falls", Grand Rounds, Department of Medicine, Einstein University, Montefiore Hospital, Bronx, NY, October 1989.

"Functional Assessment in Clinical Practice", American College of Physicians, Connecticut Chapter Annual Meeting, Southbury CT, October 1989.

"Fear of Falling: Effects on Dependence", as part of symposium, Physical Frailty: A Treatable Cause of Dependence at annual meeting, Gerontological Society of America, Minneapolis, November 1989.

"Co-morbidity and Risk of Falling", as part of symposium, Co-morbidity: What Is It and Why Should We Study It? at annual meeting, Gerontological Society of America, Minneapolis, November 1989.

"Physical Restraint Use in Nursing Homes" as part of symposium, Routine Physical Restraint, at annual meeting, Gerontological Society of America, Minneapolis, November 1989.

"Falls and Injuries". Intensive Course in Geriatric Medicine. UCLA, Los Angeles, January 1990.

"Falls and Injuries". ABFP/ABIM Geriatric Medicine Examination Course. Mt. Sinai Medical Center, New York, February 1990.

"Falls". Minicourse on Geriatrics. American College of Physicians. Chicago, Illinois, April 1990.

"Falls". Update. American College of Physicians. Chicago, Illinois, April 1990.

"Issues in Restraint - Free Care." Symposium. Annual meeting, Gerontological Society of America, Boston, November, 1990.

Developing Guidelines for Promotion of Clinical Investigators. Workshop. Society for General Internal Medicine. Seattle, May, 1991.

Geriatric Medicine Course, Harvard Medical School, February 1992.

Invited Speaker. International Society of Posture and Gait. Portland, Oregon, May 1992.

Invited Speaker. American Physical Therapy Association. National Meeting. Denver, June 1992.

Invited Speaker. Intra Urban Clinical Club. Frontiers in Biomedical Research at Yale. New Haven, November 1992.

Invited Speaker. American College of Physicians. Geriatric Review. Chicago, September 19, 1992.

Meet the Professor, American Geriatrics Society Meeting, Washington, November 1992.

Invited Speaker. American College of Physicians. Annual Meeting. Prevention in the Elderly. Washington, April 4, 1993.

Invited Speaker. Community Health Care Plan. Drug Use Among Elderly Patients. April 29, 1993.

Invited Speaker. National Institute on Aging Workshop on Performance Measures. Boston, May 5-6, 1993.

Invited Speaker. "Research Agenda: Prevention of Falls and Disequilibrium in the Elderly". Disease Prevention Research at N.I.H.: An Agenda for All. Bethesda, October, 1993.

Invited Speaker. "Individualized Risk Factor Targeting." N.I.A. Physical Functional Independence Workshop. Bethesda, January 1994.

Invited Speaker. "Prevention of Falls". Third International Symposium Osteoporosis Research Advances and Clinical Applications. Washington, D.C. March, 1994.

Invited Speaker. "Prevention of Falls Among Elderly Persons." American Academy of Neurology 46th Annual Meeting, May 1994.

Grand Rounds. University of Rochester, Monroe Community Hospital. Rochester, NY, April 1995.

Invited Speaker. Department of Medicine. Research Seminar. Yale School of Medicine. November 1995.

Invited Speaker. Grand Rounds. Department of Orthopedics and Rehabilitation, Yale School of Medicine. November 1995.

Invited Speaker. Grand Rounds. Department of Otolaryngology. Yale School of Medicine, December 1994.

Invited Speaker. American Federation for Clinical Research. Year in Review. Clinical Epidemiology and Health Services Research. "Falls in Older Persons: From Predictors to Prevention." San Diego, May 1995.

Invited Speaker. American Geriatrics Society Annual Meeting Symposium. Impact of Research on Quality of Life and Independence of Older Adults. Washington DC, May 1995.

Invited Speaker. Geriatric Core Curriculum Track. American Geriatrics Society Annual Meeting. Falls and Gait Disorders. Washington DC, May 1995.

Invited Speaker. Senior and Aging Media Briefing Sponsored by the American Medical Association. Washington DC May, 1995.

Invited Speaker. "Research on Aging": Clinical Trials - The Future. Gerontological Society of America, Los Angeles November, 1995.

Invited Speaker: "Fall Prevention": New York Academy of Medicine. New York, February, 1996.

Grand Rounds. Department of Psychiatry. Yale School of Medicine. Falls and Psychiatry, February, 1996.

Grand Rounds. Departments of Internal Medicine and Rehabilitation. Graduate Hospital, Philadelphia, PA. April, 1996.

Invited Speaker. Health and Aging. Yale University "Mini-Medical School". April, 1996.

Invited Speaker. Harvard Pilgrim Health Care Plan. Boston, MA. May, 1996.

U.S. Senate Hearing. National Shortage of Geriatricians. Special Committee on Aging. May, 1996.

Aging: Basic science and clinical issues for drug development. Pfizer Department of Clinical Research. June 1996.

Ridgefield Conference on Advances in Aging Research. Ridgefield, CT, October, 1996.

Grand Rounds. University of Connecticut Health Center, Geriatrics. Farmington, CT, December, 1996

Grand Rounds. St. Francis Hospital. Department of Internal Medicine. Hartford, CT, December, 1996.

Grand Rounds. University of Chicago. Department of Internal Medicine. Chicago, March, 1997.

Fall Prevention. Merck and Company. Philadelphia, PA. April, 1997.

Clashing Paradigms. American Geriatrics Society, Atlanta, May 1997.

Fear of Falling. American Geriatrics Society, Atlanta, May, 1997.

Home Care Symposium. Yale New Haven Hospital, June, 1997.

Disability Assessment Conference on Physical Activity Among Older Persons. Austin, Texas, September, 1997.

Harvard Pilgrim Health Plan. Prevention of Falls. Boston, October, 1997.

Grand Rounds. Yale Health Plan. Prevention in Older Patients. New Haven. November, 1997.

Keynote Speaker. Challenges in Geriatric Practice. University of North Carolina. Chapel Hill, January, 1998.

Presentation to Connecticut Legislature Committee on Aging Research, Hartford Connecticut, January, 1998.

Randomized controlled trial of a multicomponent home-based rehabilitation strategy post hip fracture. Invited symposium at AGS meeting, Seattle, May, 1998.

Presentation to Board of Directors AARP/Andrus Foundation. Research on Chronic Disability. Washington DC, May, 1998.

Summer Institute in Geriatrics. Minnesota Area Geriatric Education Consortium. Minneapolis, June, 1998.

Geriatric Review course. Mount Sinai Medical Center. New York, September, 1998.

Keynote Speaker. American Physical Therapy Association. New England Chapter. Newport, RI, September, 1998.

Grand Rounds. Middlesex Hospital. Falls: Prevention and Prognosis. Middlesex Connecticut, February, 1999.

Geriatric retreat sponsored by Hartford Foundation. Jasper Alberta, August, 1999.

Assessment of Balance. American Association of Physical medicine and Rehabilitation national meeting. Washington DC, November, 1999.

Medicare Prescription Benefit. South Central Connecticut Area Agency on Aging. Hamden, CT, November, 1999.

St. Francis Hospital. Fall prediction and prevention. Hartford, May, 2000.

Meet the Professor. AGS National meeting. Balance Assessment and Intervention. Nashville, May 2000.

Grand Rounds. Harvard Primary Care. Falls: Prediction to Prevention. Boston, June, 2000.

Gerontological Society of America Freeman Lecture. Back to the Future: Towards a new model of medical care. Washington, November, 2000.
